

Manthorpe - TDI Range

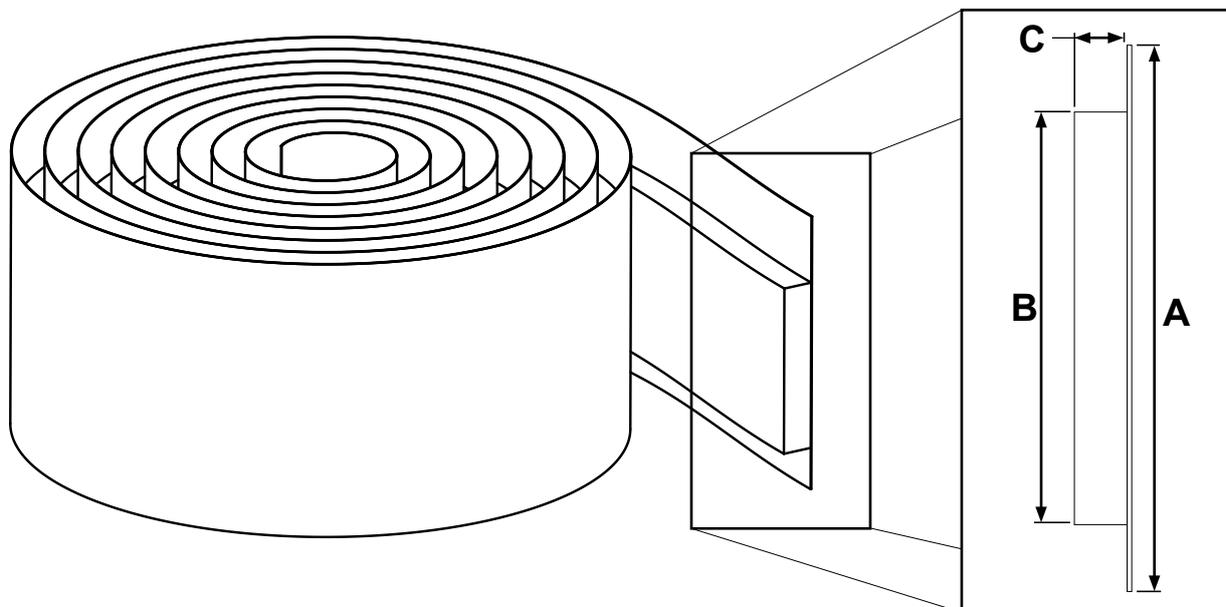

Product Information Sheet

Damcor - Insulated DPC

Code: **DC165 / DC225**

Description

Damcor is an insulated DPC to provide a simple solution to thermal bridging where the cavity is closed using a returned block work detail.

Damcor Variant	Length (Per Roll)	DPC Width (A)	Insulation (B)	Insulation (C)	Quantity per bag
DC165	6m	165mm	100mm	17mm	8
DC225	6m	225mm	150mm	17mm	6

Additional Details

- The cavity closer is non-loadbearing, therefore it should not be used to support the window or door frame, or used as a substitute for cavity wall ties.
- The product should be stored indoors where possible. If outdoor storage is unavoidable, the product should be stacked clear of the ground, fully protected with a weatherproof covering and away from direct sunlight and high temperatures.

Specification

	DPC	Insulation
Material	Polyethylene	Chemically Cross-Linked Polyethylene/ EVA Foam
Colour	Black	Yellow
K-Value	0.039 W/mk
